8:00, Tom says I wish we could talk about the loan; me: I'm available to talk this morning, [then coming back] if you dont want the K-I-D-S around, what do you think of sending Anna on a walk with jennifer while we talk? Tom: OK

8:35: anna goes out on walk w/ jennifer

9:10: Tom still in shower

9:20 Start talking
9:25 start recording, when it seems to me that Tom is getting upset
